ENCOURAGEMENT FOR THE WEEK . . .

"We have a choice every day regarding the attitude we will embrace for the day. Life is 10% what happens to us and 90% how we react to it. Our attitude is everything." Chuck Swindoll

Thank You to everyone that contributed to the staff love offering at Christmas. Your generosity was sincerely appreciated by our teachers. We thank you for entrusting your children's education to WHCA.

Our school will be celebrating 100's Day on Friday, February 9. We encourage all students to create an original shirt/jacket/hat that has 100 items on it. Please see the attached letter to the email for more information.

Instead of doing a Science Fair this year, we will be holding the WHCA Marketplace on Thursday, March 7. All students are encouraged to sell items. Items may be either handmade or bought. This is an opportunity for students to explore the possibility of becoming an entrepreneur. Be watching for more information to come.

FUN FACT: Sloths can hold their breath longer than dolphins.
