THE PSAT Test will be taken by our 9th, 10th and 11th grade students on Tuesday, October 17. If students are using their own devices, we would like them to bring the device to school on Wednesday, October 11, to make sure that Bluebook has been loaded correctly and that students will be able to access the test. Students must have a test code from the school before they can access the practice test. This will be given to them on Wednesday. If you have any questions, please let the office know. Please help your students remember to bring their devices on Wednesday so that the test day will go smoothly. Students will be given instructions on how to take a practice test at home. THANK YOU!

A Note from Mrs. Long . . .

Hello parents. It's October, which means we are starting football unit in gym!

If you have any gently used kid-sized footballs that are looking for a new home, we would appreciate the donation. :-) You can send them to school with your kids and ask them to please drop off to Mrs. Betts. Thank you!

If you are interested in praying with other moms from across Michigan for our schools and students, please see the
