We are also accepting donations for postage.

CHRISTMAS PROGRAM SHIRTS

Our students have been diligently working hard on getting ready for our Christmas program in December. We would like each elementary student to purchase a specially designed shirt so they all look alike. The cost is \$8 per shirt for students. You are welcome to purchase shirts for other family members as well. An order form will be sent home next week - please be watching for it!

In addition to receiving emails regarding FACTS payment reminders can also be sent to your phone. Please go to the school website (whca-k12.org), click on the "WHCA Family" tab and scroll to "News & Events". This is a service that you need to opt-in. If you have any questions, please contact the school office.

FUN FACT FOR THE WEEK - Venus is the only planet that spins clockwise.
