

First and Second Grade News - Jan. 19

Happy Friday everyone!

It's been a crazy week with extreme weather and snow days but we have tried to stay on track with our assignments and tests. It's hard to believe that we are closing out our first semester of school and beginning our third quarter next week. The school year is racing by. This is a good time to remind you that your child's folder needs to be checked after school every night for homework. If there is homework sent home, we expect it to come back corrected and completed the next day unless special arrangements have been made with Mrs. Abraham or myself. Thank you for helping us with this.

Next Week's Spelling Words for First Grade
