

First and Second Grade News - February 2, 2024

This week in Bible our First grade lesson has been about loving others and what that looks like to a first grade child. Second grade has been learning about Job and how he showed great patience. The children are so receptive to growing in faith and their love for God and each other. It's been a great week of discussing practical ways they can show love, kindness and patience to those around them. In math the children continue to work on telling time, reading thermometers, measurement in inches and centimeters and addition and subtraction problems, word problems, as well as introductory fractions. There are lots of fun events coming up. We are celebrating 100's Day on February 9th. Everyone is invited to wear something with 100 items on it. Be creative and have fun with this. We have seen some really interesting ways to "wear 100" in past years!

We will also be having a Valentines Day party on Wednesday, February 14th. We are asking that all children create their own Valentine boxes at home to bring in to school on the 14th. They also need to write out their own Valentine's Day cards to classmates for extra writing practice. Your child may bring Valentines in on the 14th as well. Please check the back of this newsletter for a list of student names. We will be having a ice cream sundae party on Valentine's Day and we are asking for donations of ice cream and toppings, bowls and spoons.

First Grade's Spelling words for next week

girl, one, two, get, use

Second Grade's Spelling words for next week

one, what, more, from, they

First Grade Bible verse for next week

"And do not forget to do good and to share with others, for with such sacrifices God is pleased." Hebrews 13:16

Second Grade Bible verse for next week

"When I called, you answered me; you greatly emboldened me." Psalm 138:3

Reminders

Lastly, we want to remind you to send snow gear with your child every day so that they can enjoy recess outside with friends. We do not have enough staff to watch kids outside and inside as well so if they don't have their hats, mittens, snow pants and boots they are quite limited in what they can do outside and they get very cold. We also are requesting that parents make sure their child's yellow folder is checked each night for homework, the homework is completed and returned to school the next day. Thank you for your help with these requests. Have a safe and restful weekend.

In Christ,

Mrs. Packer and Mrs. Abraham
