### ENCOURAGEMENT FOR THE WEEK . . .

"Rather than ask God to change your circumstances, ask him to use your circumstances to change you.

Life is a required course. Might as well do your best to pass it." Max Lucado

Our Junior and Senior class students will be holding a Dessert Bake-Off and Movie night on Friday, March 8. Be watching for upcoming newsletters for more details!

If you have students in grades K through 4 that may be interested in participating in the Lego Robotics team, Mrs. Evans will be holding a Lego Open House on Thursday, Feb. 29, from 3:30 pm to 5:00 pm. The open house is open to students who are 5 to 10 years old. If your child attends, **PLEASE** make sure that you send an afterschool snack with them.

FUN FACT - Human blood is as salty as the ocean.
