ENCOURAGEMENT FOR THE WEEK . . .

“Don't see your struggle as an interruption in your life but as preparation for life!” Max Lucado

We have had a lot of runny noses and colds, which means our students have been using a lot of Kleenex. If you are out shopping and can pick up some extra boxes for the school, it would be greatly appreciated!

WHCA MARKETPLACE

The WHCA Market Place is coming up next Thursday, March 7. If students are planning on selling an item at the marketplace, they need to sign up on the office door (many have already signed up). The marketplace will run from 2:45 pm to 4:00 pm. Parents and guests are welcome to come and shop.

Please make sure that you child brings money to make change for customers. We suggest pricing items easy (2 for \$1). Also, students should have signage to display in their booth showing customers what they are selling. If you have any questions, please contact the office.

Jeff Clark is working on putting together a yearbook for our students this year. The deadline to submit pictures is Friday, March 29. Please see the attached flyer to the newsletter for more details. If you are interested, please reach out to Mr. Clark at the email address on the flyer.
