Dear WHCA Family,

We are planning the 2023-2024 winter sports season and need your input. We have already had some interest expressed for Junior High Boys' basketball and need to get a better handle on how many players are truly interested. Our teams could: "potentially" include 5th/6th and 7th/8th Girls' Basketball plus 5th/6th and 7th/8th Boys' Basketball. Because of our size, we often have 6th-8th grade teams.

The boys' season typically runs from the end of October to the end of January. The girls' season runs from the end of January to Mid-March. Once the season starts, the time commitment is typically 2-3 nights per week for games and practices. In addition, all players must have a current year sports physical (2023-2024) or have one from last year (2022-2023). If your student is interested in 5th-8th grade Basketball please have them sign up in the office by October 1st so we can plan for teams/coaches and commit to game scheduling with refs/other schools.

Thank you for your continued support of WHCA sports.
