ROBOTICS FOR K4/K5 STUDENTS - If you have students that you would like to have participate in Robotics, please let the office know by Monday, Oct. 2. We are looking to see if there is enough interest to form a team for this school year.

Pizza kits will be delivered on Thursday, October 5. They will be delivered around 12:30 pm. **WE WILL NEED HELP SORTING ORDERS!** If you are available to help, please contact the office. We have no place to store pizza kits, so please make sure that you are able to pick up your kits after school.

We will be selling chocolate covered pretzel rods during school. The cost is \$1 per rod and they may be purchased during lunch. Proceeds will go to our dyslexia program.

We could still use a few more boys for basketball. We have a parent that is interested in coaching this year. If you have a student in grades 5 through 8 that would be interested in playing, please have them sign up outside the office.
