If school is closed for the day, you will receive a text message, email, and a phone call from a staff member. If Huron Valley Schools are closed for the day we will not have school. If you feel it is unsafe to drive students to school during the winter, please stay home and be safe.

The Christmas Smiley Store for our elementary students is coming up on Thursday, Dec. 12. We are in need of helpers to assist our students in shopping and also help with wrapping. Students will probably be shopping in the morning. If you are available to help, please let the office know. If you would like to contribute financially to the Christmas Store, please send money in an envelope to the office or contact Mrs. Betts.

During the school Christmas Program on December 19, we will be taking a love offering for the staff during both performances. Any money collected will be given to the staff as a Christmas bonus. If you would like to contribute, you can contribute with a check, cash or you can scan the QR code.
