## newsletter

Happy Friday everyone, it's been an exciting week as we've welcomed our new principle in and he's been getting to know the students and staff. If you see him in the hallways or at pick up, please introduce yourself and welcome him. We are also thankful to still have Mr. Whitted here to be a part of our days as well. We are not quite ready to say goodbye to him.

It's hard to believe that we are closing out our first semester of school and beginning our third quarter in just a couple of weeks. The school year is racing by. This is a good time to remind you that your child's folder needs to be checked after school every night for homework. If there is homework sent home, we expect it to come back corrected and completed the next day unless special arrangements have been made with Mrs. Coppola or myself. Thank you for helping us with this.
