WEEKLY

newsletter

February 20, 2026

It's been a busy week! We had a great time celebrating 100's Day on Wednesday. We partnered with the Kindergarten class and made a special trail mix for our afternoon snack. We also divided K-2 into three groups and had a building competition with Solo cups. Each group had 100 cups and built the most interesting structures! First and second grade are finishing their "How to" writing project. Mrs. Coppola and I are really proud of how hard the students have worked to finish this four part writing assignment. They will be presenting their projects next week.

Please remember to sign up for parent teacher conferences next Thursday. Mrs. Coppola and I have the whole afternoon and evening available on Thursday. We will be unavailable for Friday conferences so if you have a complication on Thursday, please let one of us know and we will make special arrangements for your conferences. Your student will be leading these conferences so it is really important to give them this learning opportunity and they will be graded on their efforts.

REMINDERS

We continue to need colored pencils so when you're out doing your weekly shopping please keep us in mind. Thank you so much.

We love teaching your children and we are so thankful and grateful that you have entrusted us with their education and care. Please be thinking of friends and family who could benefit from our small private school. Our Open House is coming up March 5 and your personal invitation is the best way to bring people in to check out the school. Have a wonderful weekend!
