OPEN HOUSE is coming soon!

THURSDAY, MARCH 5

6:00 PM TO 8:30 PM

If you know of any families that may be a good fit for WHCA, please invite them to come to Open House. This is an excellent chance for them to come and tour the school, meet that staff, and have their questions answered. Prospective Kindergarten families need to sign up for a time to come. Please have any interested families contact the office if they have any questions.

Our elementary students will be celebrating the 100th day of school this coming Wednesday, February 18.

Thank you to everyone who came to the Nacho Night Fundraiser and Silent Auction. We earned around \$7000 for our Mexico team.

STAR BOTS DISCOVERY ROBOTICS is for Pre-K and Kindergarten students and will be starting in April. The program will run for six to eight weeks, and will meet one time every the week from 3:30 pm to 5:00 pm. The maximum number of students that can participate is eight. Parental involvement will be required. We have limited spaces available. If you are interested in having your child participate, please contact the school office.
