Fun Fact - Fingernails grow faster than toenails.

2025 Mexico Mission Trip - West Highland Christian Academy -> Niños de Baja

Our Mexico Team left yesterday. If you would like to follow them throughout the week, Mr. Whitted has created a Facebook page. Please feel free to join the group and follow them this week!

Want a free music lesson during Easter break?

Milford Music Studios is offering a free trial lesson to anyone interested in private music lessons!

Students, this is an excellent opportunity to get one-on-one help preparing for the Spring Worship Night and/or praise band auditions.

Families and staff, this is an all-ages opportunity. If you dream of learning or re-learning an instrument "one day," why not now?

Mrs. Austin teaches voice and piano.

Ms. Comis teaches piano, concert band instruments, and recorder.

The studio also has teachers of guitar (all kinds), drums, ukulele, and violin.

Contact a music teacher or the studio for more information.
