## Encouragement for today from Max Lucado . . .

“Feed your fears and your faith will starve. Feed your faith and your fears will.”

If you have not finished your re-enrollment for the 2024-2025 school year, we encourage you to finish it as soon as you can. Our elementary grades are getting full. Current WHCA students have first priority, but we need to have enrollment finished to hold your spot. If you have any questions, please call the office.
