TEACHER APPRECIATION WEEK is next week. If you would like to help celebrate our staff next week, please call Julie Marshall at 810-656-4525. Please do NOT call the office with questions as we do not know what it planned for the week.

The date for **VISION SCREENING** has been changed! It will take place on Tuesday, May 6. This will be for all 1st, 3rd, 5th, 7th, and 9th grade students.

We will be selling concessions at the Worship Night as well as having a bake sale. Please see the sign-up links in the email if you are available to set-up, clean-up, or help with concessions in addition to bringing in items for the bake sale. If you have any questions, please contact the office. If you are still in need of service hours for the year, this would be a great time to work some of those hours.
