SUMMER TIME GET-TOGETHER'S FOR STUDENTS

If you would be interested in organizing a get-together over the summer for our elementary, middle school, or high school students, please contact the office. The get-together does not necessarily need to be at your house, but you would need to coordinate a time and place. We want to give our students the opportunity to stay connected over the summer.

If you have a student that may be interested in being in Chapel Band next year, they will need to audition. Students will be able to sign up in their music classes for a time to audition. Part of the audition is an interview which will take place after exams on May 28, 29, or 30th. Interested students will be bringing home a packet with more information. Auditions are open to all current 6th to 11th grade students.
