Back to School

HOT LUNCH will begin next week. Pizza will be offered on Tuesdays. On Thursdays, we will offer other items such as hot dogs and nachos. All lunch orders need to be placed in Renweb by Monday morning.

Please do not assume that there will be extra food for your student if you do not order. An email was sent out on Wednesday to help you see how to order lunch online. If you have any questions, please contact the office.

This year we are making school managed emails for grades 6-12 so they will have the ability to access their classrooms online in the future (when their teacher is ready). To start, we will be running a trial period this year with three teachers that will provide their students with the ability to participate. This is important to help them access classroom and homework assignments when they are absent, over a break, after school, etc... This will enable each parent and student to follow along and stay on task in each class. This is the first year this feature will be available so please work with us while we work through the fine details. Please use the following link to access your student's classroom:

Note: Students will use their WHCA username & password (issued by the school)

GARAGE Sale

Our Garage Sale is coming up on September 24 to 26. You may drop off items for the sale in the gym beginning on Monday, September 21, when you drop off or pick up your student. We will be needing help setting up, sorting, and running the sale. Be watching for a sign-up if you are interested in helping. Just a reminder that all families are required to volunteer for 20 hours during the school year. This is a great way to start!

Spirit wear is available to purchase. We also have quite a few items in our inventory. Please let us know what you are looking for, and we can look through our stock to see if we have what you would like. There is also an order form available in the office that you may also order from. Please call the office if you have any questions.
